

Math Mastery Series

Professional Learning Reading Plan

To save time the focus is on **JEMM+**. **JEMM+** is more difficult than **JEMM** and not as difficult as **EMM**.

GO TO:

Sample Materials

<https://mathmasteryseries.com.au/sample-materials/>

Locate section Junior Elementary Math Mastery+ (JEMM+)

- **JEMM+ Introduction**
Read (30 mins) and specifically note: 'Using the Script' (p. vi); 'What Bugs You?' (page xi)
- **JEMM+ Lessons 1-5**
Read Lesson 1 (15 mins) and specifically note the 'Snapshots' and text written in coloured CAPS
- **JEMM+ ERS Lessons 1-5**
Flick through Lesson 1 (2 mins)

Student Workbook

<https://mathmasteryseries.com.au/student-workbook/>

Locate section Junior Elementary Math Mastery+ (JEMM+)

- **Workbook Electronic Reference Stimuli (WERS)**
Flick through (3 mins) and specifically note the fourth and last page
- **Download Descriptors**
Download and open the sheet, myJEMM+data Descriptors, and before reading, pay attention to the Row 2 comments (3 mins)

MMSanimation

<https://mathmasteryseries.com.au/mmsanimation/>

- Read section 'What is MMSanimation'
- Locate 'SUBSCRIPTIONS' > 'JEMM+animation'
- Select 'Try Lessons 1-10 FREE'
- Play 'Lesson 1'. Watch and specifically note the animations reflect that critical part of the lesson script (shown in coloured CAPS) requiring the teacher to point to the Electronic Reference Stimuli (ERS)

Go to Implementation Checklist

<https://mathmasteryseries.com.au/implementation-checklist/>

- Read (2 mins) and specifically note Key Indicators: Points to ERS as required; Sentences delivered in chunks; Incorrect responses circled; Bugs identified on BugBoard; DeBugs directly after corrections
- Read (2 mins) 'Debugging Lessons' https://mathmasteryseries.com.au/wp-content/uploads/2024/08/debuggingtranscript_emmq7.pdf

Go to Implementation Plan

<https://mathmasteryseries.com.au/implementation-plan/>

- Read and consider (5 mins) - this is a suggested plan only
